

## Markus Bauer won the German Marathon Championships

For the first time in his career Markus Bauer won a German championship. After an exciting race the Kreidler-Pilot secured rank 1 and is now German Marathon Champion. The Kreidler Pilots drivers were also at the start of the weekend in Gruibingen.

Markus: „GERMAN NATIONAL CHAMPION MARATHON 2017!!!! A dream comes true. Finally my first every national title. It was a dirty, super hard and tight battle out there with the luck finally being on my side. I was patient for this triumph for such a long time!!! Thank you so much to the whole Kreidler Werksteam. You and your investment in the last 3 years made this success possible! I am super delighted to finally pay back the trust you put into me.“

Moritz: „I'm really happy about my 4th place at the German Marathon Championships, after I felt tired the last weeks and a bad recovery from the Schwarzwald Bike Giro. I am even more happy about the victory from Markus Bauer and about the fact that we have finally a title in the team.“

Andreas: „With starting number 102 I went from the first row to the race. In the first part I could drive with the top group. Avoiding to fall I did not risk too much at the slippery downhill. Unfortunately I had a crash and lost the group. Towards the end of the race, I was able to collect a few more people and I am satisfied with the 10<sup>th</sup> position.“
