

## Winner of the Hessencup in Bad Orb – Christopher Platt

For training purposes two Kreidler pilots started at the weekend. Christopher Platt won the race of the Hessencup in Bad Orb. Markus Bauer was also successful at the Swiss Bike Cup in Solothurn with P15..

Christopher: „It was an exciting race from the beginning to the end. I was able to take the lead with two other drivers and it was a hard fight. I decide the race in the last round with a sprint.“

Markus: „Rain, Rain and more rain.... the Swiss Bike Cup in Solothurn was the first race in wet conditions in 2017. I was on a solide race and finished 15<sup>th</sup> in the end. Shame I punctured in the 5<sup>th</sup> out of 6 laps. This did cost me all chances to fight for a Top10 position.“

On May, 13 the Kreidler pilots will be on the starting line at the cross-country race in Gedern, Germany.
